Selection of Web Guides, cover story for June 2021 PFFC Digital

Press Release

The June 2021 Edition of Paper, Film & Foil Converter Magazine featured as its cover story the article "Properly Select a Web Guide for Your Operation" written by Aravind Seshadri, President of Roll-2-Roll Technologies. The article is based on our posts and articles "Web Guide or Web Guiding Systems Overview ," "Web Guiding System: Why, What, Where and How?" and "Web Guide Selection and Installation Tips"
