Roll-2-Roll Scores $520k

Press Release

Roll-2-Roll Technologies has received $520,000 in funding. The investors included Oklahoma Seed Capital Fund and SeedStep Angels, both of which are managed by i2E. Cowboy Technologies and the co-founders of Roll-2-Roll also participated in the round. Based in Stillwater, Oklahoma, Roll-2-Roll is developing a lateral guide for manufacturers that produce consumer products with raw materials that come in the form of rolls.
